

## **CONSTRUCTION MEANS/SITE SAFETY ENDORSEMENT**

Section II, Exclusions of the policy wording, is amended by adding the following:

Any "claim" based upon or arising out of:

1. The cost to investigate, repair or replace faulty construction workmanship, including approval thereof, in any construction, erection, fabrication, installation, assembly, manufacture or remediation performed by any entity acting in the capacity of a contractor or subcontractor of the "Insured;"
2. Requiring, providing advice relating to, failing to provide advice or require, or failing to maintain or procure, any financing or monies for the payment of any portion of any project, or for the services or labor associated with such project;
3. Construction means, methods, techniques, sequences or procedures. However, this exclusion subsection shall not apply if the "Insured" provided only recommendations regarding the feasibility or consequences of such activities;
4. Safety precautions or programs. However, this exclusion subsection shall not apply if the "Insured" provided only recommendations or information to the project owner regarding the allocation of the responsibilities of others for such activities;
5. The acquisition of any real estate, or the securing of financing for the acquisition of any real estate.
