

**This Endorsement Modifies Your Policy.  
Please Read It Carefully.**

## **EXTENSION OF MOLD, SPORES, AND/OR FUNGUS LIABILITY**

This endorsement modifies insurance provided under the following:

### **ARCHITECTS AND ENGINEERS PROFESSIONAL LIABILITY INSURANCE COVERAGE**

Any "claim" or "claim expenses" arising directly or indirectly out of the actual or threatened occurrence, growth, release, transmission, migration, dispersal or exposure to "Mold," "Spores," and/or "Fungus" is covered under this policy. The maximum limit for this coverage shall not exceed \$ \_\_\_\_\_.

"Mold," "Spores," and/or "Fungus" means any mold, spores, and/or fungus of any type or nature whatsoever, that can cause or threaten harm to any living organism, (including human health or human welfare, or the health or welfare of any animal or plant) or can cause or threaten physical damage, deterioration, loss of use and/or loss of value or marketability, to any tangible property whatsoever. This includes, any type(s) of mold, spores, and/or fungus that are harmful or potentially harmful to health or welfare, (such as *Stachybotrys* and others) or that are damaging or potentially damaging to tangible property or that can otherwise cause or threaten to cause damages.

This endorsement shall be subject to the deductible as shown in Item 5. of the Declarations page.

This limit shall be considered part of, and not in addition to, the total Limit of Liability.

All other terms and conditions remain unchanged.
