About Western World

Dedicated Underwriting Team

Western World employs an experienced and dedicated team to help agents and their clients manage their risks.

Coverage Form

Underwriting and Classification Guide

We have a comprehensive, easy to use underwriting and classification guide to assist you in writing most risks within your authority.

Convenient Platform

Western World utilizes our Western World Integrated Platform (WWIP), which allows producers the ability to rate, quote, bind, and issue policies in one system. WWIP is a long-standing, highly rated and user-friendly system.

Financial Security

Western World Insurance Company carries an A.M. Best Group Rating of A (Excellent), Financial Size Category XV.

Claims

Western World's Claims Professionals have developed extensive expertise in dealing with the exposures of the markets we serve, and do so with great attention to the needs of our policyholders. We are focused on resolving all meritorious claims promptly and in accordance with sound claims handling practices.

Contact

To learn more about Western World or coverages for Casualty in particular, please contact your Western World Underwriter.

Western World Insurance Company, an AIG company, is a U.S.-based surplus lines insurer. AIG is the marketing name for the worldwide property-casualty, life and retirement, and general insurance operations of American International Group, Inc. For additional information, please visit www.aig.com.

All products and services are written or provided by subsidiaries or affiliates of AIG. Certain property-casualty coverages may be provided by a surplus lines insurer. Coverage is subject to actual policy language. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
