An **AIG** company

Western World Insurance Company, an AIG company, is a U.S.-based surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds. The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company. Coverage is subject to actual policy language. Certain products and services may be provided by other AIG subsidiaries or affiliates.
